Michigan County Engineers' Workshop

*New for 2010:
City Engineers are Welcome*

February 23–25, 2010 at the Soaring Eagle Inn in Mount Pleasant

44th Annual

To encourage cooperation between counties and cities on local road projects, and to better serve local road users, the County Road Association of Michigan (CRAM) engineering committee will welcome **municipal engineers** to their workshop for the first time in 2010. The workshop provides opportunities to:

- **Listen** as other local road agencies in Michigan present innovative ways to build, manage and maintain roads and bridges.
- **Learn** how the latest research and legislation is affecting the construction and maintenance of county roads and city streets.
- **Talk** with your peers about equipment, products and services that are relevant to the needs of county and city road agencies.

Brought to you by

**Michigan's
Local Technical
Assistance Program**

The final agenda and other details will be available in November 2009. For more information, contact Michigan's LTAP: **906-487-2102 or LTAP@mtu.edu**
